What Are Springs of Living Water?

The name "Springs of Living Water" is rooted in biblical imagery. In the Scriptures, water symbolizes life, renewal, and divine grace. Jesus described Himself as the "living water" that quenches the deepest thirsts of the soul (John 4:10). Springs of Living Water Church embraces this concept by offering a sanctuary where people can experience spiritual renewal, compassionate fellowship, and transformative learning.

Historical Background

Founded in 2005 by Pastor John Thompson and a group of passionate volunteers, Springs of Living Water Church began in a modest rented hall. Over the past decade and a half, the congregation has grown from a handful of families to a thriving community of over 1,200 members. The church's expansion has included a new worship center, a state of the art education wing, and outreach programs that reach beyond local borders.

- 2008 – Construction of the first permanent sanctuary.
- 2012 – Launch of the "Youth Hope" program.
