Introduction

In the ever evolving landscape of Christian ministries, the Navigators religious organization has consistently stood out for its practical, Scripture centered teaching. Among its many offerings, one series has attracted particular attention: the **2 7 series by Navigators religious organization** Whether you're a seasoned believer seeking deeper insight or a newcomer looking for a structured path through the Bible, this series promises a blend of theological depth and everyday relevance. In this comprehensive guide, we'll explore the origins, structure, and impact of the 2 7 series, providing you with the information you need to decide if it's the right resource for your spiritual journey.

What Is the 2 7 Series?

The 2 7 series is a collection of teaching modules developed by the Navigators, a global Christian organization known for its emphasis on discipleship and evangelism. The series takes its name from the numerical designation "2 7," which reflects the dual focus on both foundational biblical truths (the "2") and practical application (the "7"). Each module is designed to guide listeners through a specific theme, weaving together Scripture, historical context, and actionable steps for daily living.

Key Features of the Series

- Structured Learning Path: The series is organized into seven distinct modules, each building on the previous one.
- Scripture Centric Approach: Every lesson is anchored in specific passages, ensuring a biblical basis for all teachings.
- Practical Application: Lessons include real world scenarios and exercises to help listeners apply biblical principles.
- Accessible Formats: The series is available in audio, video, and written formats, making it easy to fit into any schedule.
- Global Reach: Originally created in English, the series has been translated into multiple languages for worldwide accessibility.

Historical Context: Navigators Religious Organization

The Navigators was founded in 1933 by Dr. J. Frank Norris in Chicago. Its mission has always centered on helping people grow in their faith through practical teaching and discipleship. Over the decades, the organization has expanded to more than 140 countries, offering Bible studies, evangelism training, and leadership development. The 2 7 series emerged as a response to the growing demand for a structured, yet flexible, teaching format that could be used both in small group settings and for individual study.

Why "2 7" Was Chosen

The "2" in the series title represents the two core pillars of Navigators' theology: **faith in Christ** and **faithful living.** The "7" signifies the seven days of the week, symbolizing the series' intention to become a daily companion for believers. By combining these elements, the 2 7 series aims to reinforce the idea that faith is not just a one time

decision but a continuous journey.
